

JIBIN ZHAO

EDUCATION

1986 M.S. in Medical Biology, Medical University of Harbin, China

1982 B.A. in Biology North East Agriculture University, China

PROFESSIONAL POSITIONS

1997-Present Research Specialist III, Electron Microscopy Center of USC

1994-1997 Research Specialist II, Electron Microscope Lab of School of Medicine, USC

1993-1994 Technician Dairy Lab, Clemson University

1998-1990 Technician Electron Microscope Lab, Ohio State University

1986-1987 Instructor, the Medical University of Harbin, China

TECHNICAL EXPERIENCE

Operation of scanning and transmission electron microscope, assist and train microscope users, sample preparation for TEM and SEM (fixation, embedding, ultrathin sectioning, critical point drying, sputter coating and immunocytochemistry), minor maintenance and alignment of the electron microscopes.
